

A Beta Sigma Phi legacy is any

special girl who is near and dear to a Beta Sigma Phi member. To qualify as a Legacy, an active member may enroll her at any time from birth through age seventeen.

Upon enrollment, the sponsor receives a legacy necklace and membership card to present to her at the planned Legacy Ritual date. Traditionally, the Saturday before Mother's Day is the suggested date to hold a Legacy Day celebration. Other activities may be planned by the chapters throughout the year.

*I*n addition to a welcome letter, the

Legacy will receive an annual birthday card, newsletter, and other special correspondence from International through her 17th birthday.

At the age of 18 she is eligible to join a chapter by invitation. Her one time **membership fee** and the **first year** of International annual fees are waived since her sponsor has paid them with this enrollment.

Legacy Form
