The Envoy Program

History

In 1983, many of our members requested a method for honoring men who were friends, helpers or advisors to them in their chapter and council efforts.

The International Executive Council created a program...ENVOY...that allows our members to thank those men who have been supportive, helpful, and have encouraged Beta Sigma Phi efforts and activities.

Membership

To enroll, complete and return the Envoy Application along with a one-time $15.00 fee. After an Envoy is enrolled, the International Office sends an Envoy pin (pictured above), a certificate, an Envoy member card, a copy of the Envoy Ritual, a letter of acknowledgement, and a receipt showing payment.

Recognition

Chapters may recognize and honor their Envoys in any manner the members wish. Some chapters plan and hold an Envoy Day each year. The plans can be as simple as a volleyball game at a barbecue, organizing or attending a sporting event, holding a picnic for the entire family, or hosting a champagne brunch. Some chapters honor their Envoys annually at an "appreciation banquet." Whatever activity is chosen, the decision is entirely up to the members.
